THE 2026 QX80

# Experience Exceptional

BACK TO SECTION

**THE 2026 QX80**

Elevate every drive to an unforgettable experience. The 2026 INFINITI QX80 invites you to relish life's in-between moments in luxurious comfort and sophisticated style, turning every journey into a cherished memory shared with those who matter most.

**A WARM WELCOME WITH EVERY APPROACH**

As you approach the QX80, the **INFINITI Light Path**<sup>®1</sup> illuminates your way, while the **approach unlock and walk-away lock** features recognize your presence, inviting you closer. With **Flush Door Handles** extending in greeting, the QX80 offers an experience of hospitality that begins before you even step inside.

FRONT DESIGN CUES

# Elegance That Draws Guests In

**FRONT DESIGN THAT COMMANDS ATTENTION**

The QX80's redesigned Piano Black **waterfall grille**, inspired by Kyoto's bamboo forests, paired with the **INFINITI Radiant® Grille Emblem and Digital Piano Key signature lighting**, commands attention while embodying quiet elegance. It's a design that leads with grace and sophistication, from the city streets to the open road.

**CONFIDENT STANCE, QUIET POWER**

**Standing tall** on available **22-inch aluminum-alloy wheels**, the QX80 projects bold confidence with a wide, assertive stance. Its design speaks of power and refinement, capturing attention without ever demanding it.

REAR DESIGN CUES

Style That Turns  
Its Back on No One

**SLEEK REAR DESIGN THAT TELLS A STORY**

Make an exit worthy of your entrance – impressive yet boastless. The new **light curtain rear taillights**, complemented by the **Digital Piano Key signature lighting**, dazzle onlookers as more than 300 micro LED lights illuminate the entire width of the QX80 to create an effortlessly spectacular finish.

**REAR DESIGN CUES**

As you depart, onlookers will notice how the windows and **"floating" roofline** gracefully melt into one another to form a sleek, fluid profile and wonder where the journey will take you and your companions next.

Interior

LUXURIOUS INTERIOR FOR ALL

Exclusivity for  
Everyone

**LUXURIOUS INTERIOR FOR ALL**

Success is a shared endeavor, and the QX80 invites those who have helped you get there to revel in it – with first-class seating in every row and 8-way power front seats.

**LUXURIOUS INTERIOR FOR ALL**

With available **semi-aniline leather-appointed seats**, captain's chairs in the first two rows and an available **Rear Control Panel<sup>1</sup>** with touch-screen functionality and haptic feedback, you can extend premium comfort – and control – to you and your guests.

SEATING

Room for Life

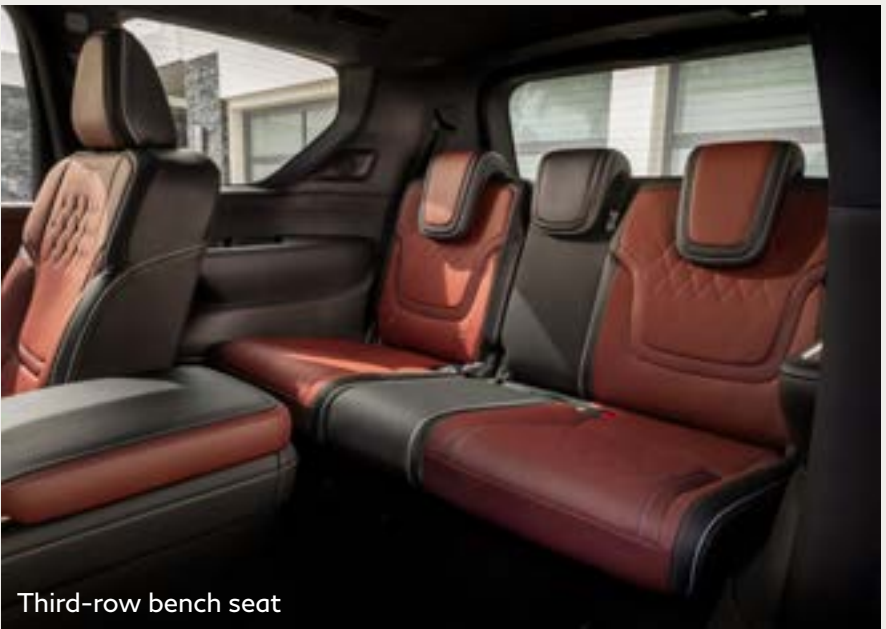

## ROOM TO BRING EVERYONE ALONG

Design your QX80 around your hosting needs, with a choice to **seat either seven or eight passengers**. Available on all trims, the seven-seater allows your second-row guests to luxuriate in their very own captain's chairs. Or, opt for the eight-seat configuration, to maximize your hosting potential with second- and third-row bench seats.

DESIGN INTRICACIES

# A World of Detail

## DESIGN INTRICACIES

It takes a trained eye to properly notice the subtle inspirations of true craftsmanship, though all will immediately feel its powerful effects. The **key fob's ridged pattern** is inspired by the summer kimono design worn by the samurai. The available **Open-Pore Ash Wood with Metal Inlay interior trim<sup>1</sup>**, fashioned after the silver strings of a traditional koto instrument, creates unique reflectivity depending on the angle of the light. These details are both inspired and inspiring.

Open-Pore Ash Wood with Metal Inlay interior trim<sup>1</sup>

**DESIGN INTRICACIES**

The available **diamond pattern**<sup>1</sup> on the captain's chairs features perforations with dot-quilting to create a subtle pillowing effect. Rather than abruptly ending, the pattern gently fades into nothingness as it reaches the edge of the seat. Similar in subtlety, the **seamless leather-wrapped dash** is hand-stretched and fitted for a refined seamlessness that elevates what would otherwise be ordinary. It's a detail that requires the delicate touch of a skilled artisan.

SPORT

SPORT

Undeniable  
Presence

**SPORT**

Make a more striking impression with the new-for-2026 QX80 SPORT. The SPORT refines the **front fascia and grille** with a **unique front bumper**, while unique **SPORT 22-inch wheels** enhance the vehicle's bold profile. **Black roof rails<sup>2</sup> and mirror caps** add a sleek look, and the **dark chrome exterior trim** imbues an extra touch of sophistication. Altogether, it's an exterior that radiates dynamic elegance.

**SPORT**

Indulge your senses further with the sophisticated interior of the new QX80 SPORT. Unique **Dusk Blue Semi-aniline Leather-appointed seating** offers both comfort and a contemporary burst of color, and the **graphite headliner and pillars** add to the cabin's sleek, refined atmosphere. High-level craftsmanship and stylish details transform your every journey into an exquisite experience.

KLIPSCH REFERENCE PREMIERE™

High Fidelity

**KLIPSCH REFERENCE PREMIERE™**

Klipsch® takes its premium sound system on the road. More akin to a concert hall than an SUV, the **24 high-performance speakers** of the available Klipsch Reference Premiere™ Audio System evenly distribute an **immersive 3D surround sound** experience. The **noise-canceling DynamicAudioReveal™** technology helps bring out the emotion and clarity of every note.

Klipsch Reference Premiere™ Audio System

**KLIPSCH REFERENCE PREMIERE™**

When a call comes in, the music doesn't have to go out. **Individual Audio** creates an isolated sound zone through speakers in the headrest, allowing the driver to have a quiet phone conversation even as passengers enjoy the music. **Advanced directional microphones** pick up only the driver's voice, ensuring a clean call where no one is interrupted.<sup>1,5</sup>

INTUITIVE DISPLAYS

Life on Full Display

## INTUITIVE DISPLAYS

Harmonize the serenity of what's outside with the comfort of what's inside. Showcased on **Dual 14.3" Displays**, the intuitive **Live Wallpaper** instinctively adapts to the weather and time of day, while the available **Personalized Ambient Lighting** features 64 unique color selections that can be adjusted to reflect the current season.<sup>4,7</sup> When it's numbers you need, the **Head-Up Display** projects pertinent information, like speed limits and turn-by-turn navigation, directly onto the windshield.<sup>8</sup>

CONNECTIVITY

# Connection Is in the Air

**CONNECTIVITY**

Seamless smartphone connectivity now comes standard. With wireless **Apple CarPlay**<sup>®</sup> integration, QX80 becomes a natural extension of your compatible iPhone<sup>®</sup>, so you can listen to your messages, select a podcast, stream your music and more – all on the touch-screen display without dealing with cumbersome cables and messy wires.<sup>4,6,8</sup>

**CONNECTIVITY**

For the first time in an INFINITI, **Android Auto™** goes wireless, so you can connect your compatible Android™ phone and access your favorite apps with no cords required. And when you need to charge, simply rest your compatible smartphone on the **wireless charging pad**.<sup>4,6,8</sup>

**CUTTING-EDGE COMFORT**

# Achieve Equilibrium

**CUTTING-EDGE COMFORT**

QX80 has guest comfort down to a science. If a first- or second-row passenger enters feeling too warm, available **Biometric Cooling** will detect their body temperature using infrared scanning and intuitively adjust the fan speed and temperature, creating thermal bliss – all without needing to push a button.<sup>9,13</sup> Helping reduce the effects of light, heat and ultraviolet and infrared rays are **UV and IR cut glass windows**. Even the air is carefully considered and filtered for pollutants and environmental irritants by a cutting-edge **Plasmacluster® air purifier** and **Grape Seed Polyphenol Filter**.<sup>10</sup>

Biometric Cooling<sup>10</sup>

**CUTTING-EDGE COMFORT**

With available **ventilated and massaging first- and second-row seats** and available **heated seats in the first- and second-rows**, QX80 lets all your guests set and achieve their own standard of comfort. The available **Rear Control Panel** with touch-screen functionality and haptic feedback makes accessing these options even more convenient. And with the available **front console cool box**, even small items like seltzer water and chocolate bars have a space to stay cool.

DRIVER ASSIST FEATURES

# A Relaxed Grip

## DRIVER ASSIST FEATURES

Reimagine the relationship between driver and vehicle. When activated, standard **ProPILOT Assist** with **Steering Assist** can maintain your set speed and help you stay centered within a lane and even around gentle curves.<sup>15</sup> In traffic, **Intelligent Cruise Control** maintains your distance and brakes when traffic slows – even coming to a complete stop – before re-accelerating when it clears.<sup>14</sup>

VISIBILITY FEATURES

# Optical Solutions

**VISIBILITY FEATURES**

The **Smart RearView Mirror** does more than reflect what's behind you. When your QX80 is full of guests or cargo, simply flip a switch to turn your rearview mirror into a monitor showing the view from the liftgate-mounted camera for unobstructed visibility.<sup>16</sup>

Smart RearView Mirror<sup>16</sup>

## VISIBILITY FEATURES

See through space and time, in full view, on the Dual 14.3" Displays. The **170-degree Front Wide View camera** shows you what's around the corner without needing to pull forward. It's almost like glimpsing into the future.<sup>17</sup> Or, if you need to see what's under you, the **Invisible Hood View** lets you peer through the QX80 to spot the curb, the track at the car wash or a runaway soccer ball.<sup>18</sup>

MANEUVERABILITY FEATURES

# Wield With Grace

## MANEUVERABILITY FEATURES

A commanding presence should mean expansion, not limitation. When you need to gauge your clearance, the **3D Around View® Monitor with Moving Object Detection** gives you eight exterior views of the QX80 in one image, which you can rotate 360 degrees with a swipe of your finger on the screen like magic. Or, with the single push of a button, watch as the camera rotates 360 degrees around the vehicle for a quick view of your surroundings. As you maneuver, the system alerts you to motion detected around the vehicle.<sup>19,20</sup>

**ADDITIONAL DRIVER ASSIST FEATURES**

# Gentle Guidance for the Road Ahead

**PREDICTIVE FORWARD COLLISION WARNING**

Can alert you to a potential collision up to two cars ahead<sup>21</sup>

**FORWARD EMERGENCY BRAKING WITH PEDESTRIAN DETECTION**

Helps watch for vehicles and pedestrians in your path, and if detected, can apply the brakes<sup>22</sup>

**LANE DEPARTURE PREVENTION**

Constantly monitors lane markings, helping guide you back if you unintentionally begin to drift<sup>23</sup>

**BLIND SPOT INTERVENTION®**

Helps alert the driver to vehicles detected in the blind spot area and actively assists you back toward the center of your lane<sup>24</sup>

**REAR CROSS TRAFFIC ALERT**

Uses sensors when backing up to detect approaching vehicles from either side and alert the driver<sup>25</sup>

**REAR AUTOMATIC BRAKING**

Can help apply the brakes if large stationary objects are detected behind you<sup>26</sup>

DYNAMIC DIGITAL SUSPENSION

Go Smoothly

## DYNAMIC DIGITAL SUSPENSION

The QX80 is designed to deliver a smoother ride for everyone aboard, regardless of the road. Designed to help minimize noise, fatigue and motion sickness in extreme driving conditions, the **Dynamic Digital Suspension** dampers work with the **Electronic Air Suspension** springs to intelligently regulate vehicle body behavior, so even life's twists and turns can be navigated in security and comfort. It also lowers the vehicle at cruising speeds for enhanced control and aerodynamics, optimizing for both comfort and performance.<sup>11</sup>

PERFORMANCE CAPABILITIES

# Empowered and Empowering

## PERFORMANCE CAPABILITIES

Power produces both the confidence and the means you need to get there, and QX80 redefines what's possible. The **new 3.5-liter Twin-Turbo V6 engine** generates **450 hp** and **700 Nm of torque**, for a journey empowered from start to finish. Traverse intrepidly as **INFINITI All-Mode 4WD<sup>®27</sup>** can automatically adapt to differing road surfaces and driving conditions, or choose the support you need with the **Drive Mode Selector**. And the **E-shifter 9-speed Automatic Transmission** liberates you to pursue the road ahead in calm control.

3.5-liter Twin-Turbo V6 engine

**EXCEPTIONAL OFF-ROAD CAPABILITY**

In tough terrains, **the rear differential lock** comes to the rescue, helping distribute power evenly across the rear wheels for easier escapes from challenging conditions like rock or sand. With greater stability, steeper climb ability, and expanded approach and departure angles, the **QX80 is built to conquer** even the toughest terrains.

**ADDITIONAL DRIVER ASSIST FEATURES**

# Effortless mode shifting for ultimate control on any terrain

**ROCK**

Tackle the most exciting terrains with confidence by reducing tire slip on uneven ground.

**SAND**

Take on the dunes and tear up even the steepest slopes.

**ECO**

Conserve energy as you cruise through the city.

**STANDARD**

For ease of use select the standard setting for general.

**SPORT**

Experience the excitement and the speed when you switch to sport mode.

All dimensions are measured in mm.

1 Available feature. Feature availability is dependent on territory vehicle model, trim level, packaging and options.

2 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

3 When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position.

4 Compatible connected device and wireless network may be required. Refer to connected device's owner's manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by and dependent on third party service providers and not INFINITI. Should service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents. Services and features may require compatible cellular network provided by independent companies not within INFINITI or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. INFINITI and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within INFINITI's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new INFINITI. Trial periods and feature availability may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. INFINITI InTouch® with Wi-Fi® terms and conditions of subscriber agreement apply. Trial is included with vehicle purchase on equipped new INFINITI vehicles. Once your vehicle has exceeded the coverage parameters of the roadside assistance benefits included with your vehicle purchase, you will be responsible for any charges incurred by obtaining roadside assistance for your vehicle. For complete information concerning warranty coverage, conditions and exclusions, please see your INFINITI dealer and read the warranty information booklet.

5 Individual Audio is intended to isolate select audio sources for equipped seating positions, and cannot buffer interior sound. Please see INFINITI Owner's Manual for full details and information before using.

6 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included.

7 Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation.

8 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

9 System may not engage if sensor is obstructed. System does not have the capability to identify individual passengers. Please see INFINITI Owner's Manual for feature information.

10 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

11 Lowering and raising action for Access mode can only be performed when vehicle is at a complete stop and parked. Please see INFINITI Owner's Manual for full details and information before using.

12 Remote Engine Start to be used only in accordance with laws or rules in effect in your vehicle's location.

13 See owner's manual for safety information and system limitations.

14 Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

15 ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.
