

2023

QX60

INFINITI

TAKE ON LIFE IN STYLE

A fulfilling life is always on and ever-changing. And you wouldn't have it any other way, right? The 2023 INFINITI QX60 is ready to help you balance every invigorating facet – in style. This is a true 3-row luxury SUV for the life you live – going from carpool to concert hall in the blink of an eye. It's aesthetically beautiful and unbelievably functional. Beyond versatility, the QX60 offers a robust suite of driver assistance and safety technologies that will put your mind at ease.¹ With calm restored, your vehicle becomes a productive space that keeps you connected and focused on the future. Because it's not the challenges and successes in the rearview mirror that count but the opportunities emerging on the horizon.

^ MOVE WITH DISTINCTION¹ **1** 20 X 8-inch Dark Silver Machine-Finished Aluminum-Alloy Wheels **2** 20 X 8-inch Charcoal Metallic Machine-Finished Aluminum-Alloy Wheels

^ DON'T JUST ILLUMINATE. SHINE.

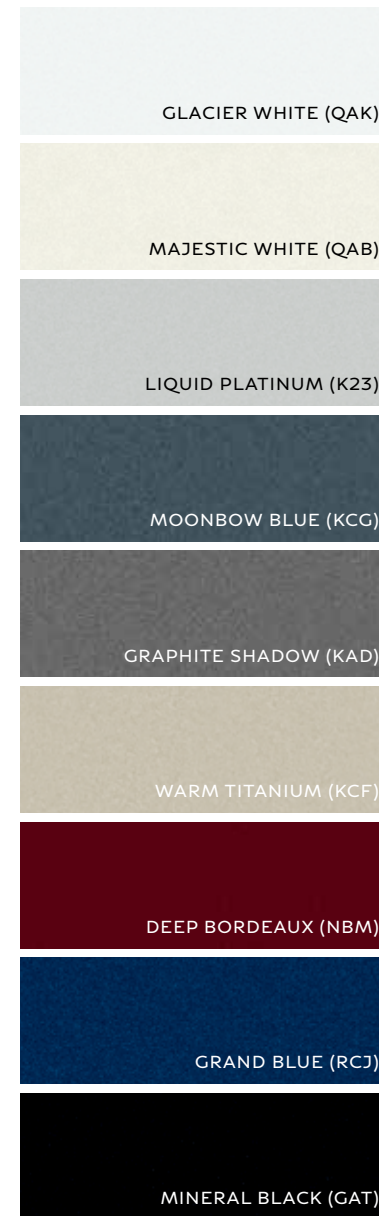

The QX60 headlights and taillights are marked by crisp segments like the keys of a piano, each lit by deep-set LEDs and a reflector that illuminate with a uniform glow rather than pinpoints of light. And with the available Vision Package, the Adaptive Front lighting System¹ can turn your low-beam headlights in the direction you're steering, assuring you shine wherever you're headed.

^ STYLE SETS THE TONE The first thing people will notice about the QX60 is its presence, exuding strength, and sophistication. But when you look closer, you see a timeless design philosophy expressed in its simplicity, grace, and powerful minimalism. The sleek lines combine with a roof that looks like it's floating on glass to weave a luminescent, futuristic style that will stop people in their tracks. Or turn heads with the AUTOGRAPH's all-black roof¹ for a canopy that appears seamless, without a hint of visible body color but with a full statement of personality.

DOWN TO THE LAST DETAIL

In ways grand and small, the uncluttered and incredibly open interior offers an overwhelming sense of calm the first time you get in, a feeling which repeats itself every time you enter. It flows from a philosophy that's as much about what's not there as what is. Of course, what's inside – like front seats with NASA-derived support, available 2nd-row captain's chairs¹ with first-class comfort and exquisite quilting that carries all the way up to the dash¹ – tells you that no detail has been forgotten.

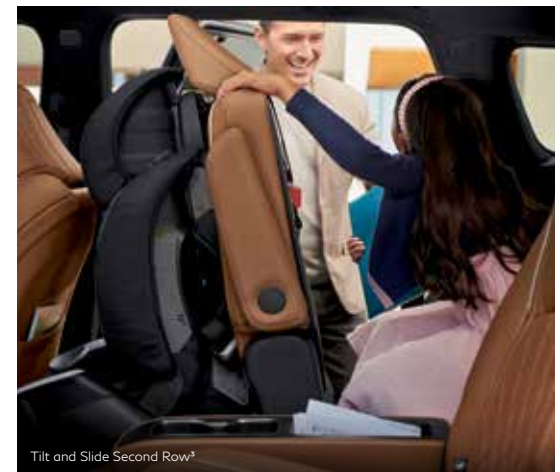

NEVER MISS A CONNECTION INFINITI InTouch™ with wireless Apple CarPlay®^{4,5,11} lets you enjoy the iPhone® experience on the QX60 touch-screen without plugging in. Wireless charging is available, too. And there are up to seven USB ports¹, two in the third row on SENSORY and AUTOGRAPH trims.

FLEXIBILITY AT YOUR FINGERTIPS The QX60 adapts to your busy life – with ease. The 2nd-row seats tilt and slide forward.³ Even with a child seat in place.³ Raise the 3rd-row seat using one finger with the available one-touch walk-in function.³ Access the cargo area with a wave of your foot, prompting the available Motion Activated Liftgate.¹

TECH THAT SIMPLIFIES TRAVEL Standard ProPILOT Assist² can help take some of the minutiae of stop-and-go highway driving off your plate by automatically braking and accelerating to match the flow of traffic. Using the navigation system^{4,5,11} to “anticipate” curves and interchanges, it helps slow you for your turn or exit. Beyond easing the burden, the QX60 can give you peace of mind with features like Predictive Forward Collision Warning⁶ that monitors two cars ahead to warn you of a potential collision. Because the less you worry about the chaos around you, the more you can connect to those who are with you.

Semi-aniline Leather-appointed Seating

- 1 SPLASH GUARDS
- 2 RUNNING BOARDS
- 3 CROSS BARS - AVAILABLE IN BLACK AND SILVER

◀ **EXTERIOR** Splash guards made to reduce dirt spray on your vehicle's lower body while helping to prevent nicks and scratches caused by road debris. Designed to match wheel openings and add style while protecting the sides of your vehicle. The running boards offer easy access in and out of your QX60, making it easier to access the roof. Crossbars integrate with existing roof rails for maximum utility. These crossbars are wind tunnel-tested and require roof rails to install.

4 REVERSIBLE CARGO AREA MAT

^ **CARGO** The reversible cargo mat keeps the cargo area clean, while the water-resistant heavy-duty cargo mat on one side and carpet on the other provide protection from scratches and damage.

AN ACCESSORY FOR EVERY INDIVIDUAL

Life has many facets. Outfit and style up your QX60 to express each one with Genuine INFINITI Accessories. We ensure that each accessory is designed and manufactured to integrate seamlessly with your vehicle and provide a custom fit and finish. For more information, please contact your dealer.

ACCESSORIES SHOWN: BLACK ROOF RAIL CROSSBARS, CHROME REAR BUMPER PROTECTOR, RUNNING BOARDS, SPLASH GUARDS, INFINITI RADIANT EXTERIOR WELCOME LIGHTING.

▼ **LIGHTING** The soft-glowing Infiniti logo along the bottom of doorsills is designed to match the contours of door openings and may require an Accessory Service Connector if not already installed. For added security, illuminate the area beneath and around your vehicle. Press the Infiniti Intelligent-Key fob, press the entry button, or open the doors to turn on the dome light and LED lights between the front and rear tires.

1 ILLUMINATED KICK PLATES 2 WELCOME LIGHTING WITH OR WITHOUT RUNNING BOARD

ADDITIONAL ACCESSORIES TO CONSIDER:

Rear Bumper Protector
Floor Mats - Carpeted, Captain
Floor Mats - Carpeted, Bench
Cargo Organizer

Two-tone roof¹

10.8-inch Head-Up Display²

Contrast Stitching and Piping

^ COMFORT MEETS CONFIDENCE

The soft-touch leather appointments aren't merely quilted with contrast stitching but accented by a crosshatch at every sewn intersection and piping to line the edges. With a Head-Up Display¹ that gives you essential information projected directly onto your windshield; you'll be ready to travel in confidence to match your comfort.

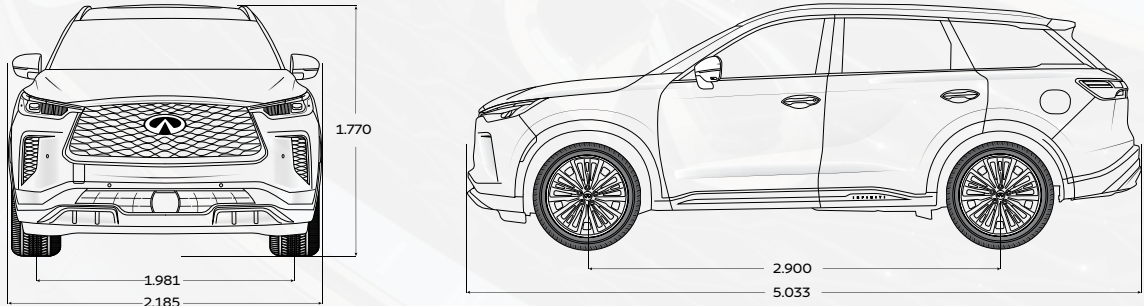

EXQUISITELY CRAFTED COMFORT THE TAILORED QX60 AUTOGRAPH

Comfort comes in many forms, from feeling coddled in premium materials to feeling your most radiant in sophisticated style. In the QX60 AUTOGRAPH, we've meticulously addressed them all. Inside, comfort conforms to your passengers with adjustable second-row captain's chairs and our softest semi-aniline leather appointments in the first and second rows. Outside, the exclusivity is made visible with a Black Obsidian roof that seemingly disappears into a continuous glass cabin accented by sleek black roof rails.¹

1 Available on select models. **2** ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. **3** Slide-forward function should not be performed with the Child Restraint System occupied. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** If equipped, your vehicle may include INFINITI InTouch™ connected features and services such as Navigation, Bluetooth® and other connected features that can be viewed by model on the INFINITI InTouch™ website here: <https://www.infiniti-me.com/intouch.html>. **6** Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. **7** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **8** Blind Spot Warning and Blind Spot Intervention Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. **9** Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **10** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. See Owner's Manual for safety information. **11** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **12** Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. **13** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **14** Lane Departure Warning and Lane Departure Prevention only operate when lane markings are detectable. See Owner's Manual for safety information. **15** Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. **17** Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. **18** Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **19** Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **20** Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.
