QX50

INFINITI

PROGRESSIVE DESIGN AND INNOVATION IN LUXURIOUS HARMONY

True leaders combine the classic with the progressive in ways that express a new vision. In the same way, the INFINITI QX50 effortlessly balances timeless design with innovative technology. Drive ahead with commanding power and efficiency³ from an engine once thought impossible: the INFINITI world's first production variable compression turbo engine that transforms according to your needs. Effortlessly forge your path through busy city streets with INFINITI drive assist technologies that complement your natural abilities, so you can travel with confidence. And no matter whether a drive is minutes or kilometers, the interior embodies the perfect fit of color, contrast, and premium materials, while a sliding second-row seat accommodates changing needs.³ In the QX50, luxury is a modern collaboration that elevates the way you live.

▲ MOVE WITH DISTINCTION¹ **1** 19 X 7.5-inch Silver-Painted Aluminum-Alloy Wheels **2** 20 X 8.5-inch Dark-Painted Aluminum-Alloy Wheels **3** 20 X 8.5-inch Dark-Painted and Machine-Finished Aluminum-Alloy Wheels

▲ POWER OR EFFICIENCY? The first production variable compression turbo engine, the INFINITI VC-Turbo[®] continuously transforms for optimal power and efficiency.² The secret is its unique multi-link system, which varies the compression ratio from 8:1 for more power to 14:1 for greater mileage.² When your engine literally changes from within, whether you need to pass quickly or cruise steadily, the best of power and efficiency is yours.²

▲ YOUR DRIVE EVOLVED WITH EASE Take back your commute. Based on some of the same technologies that will make full autonomy possible in the future, ProPILOT Assist²⁰ can automatically react to the flow of highway traffic and can help you stay centered in your lane, even around gentle curves. Keeping you confident, knowing that your journey is supported every step of the way when you need it.

SPACE THAT'S DISTINCTLY YOU

There are those who follow trends and those who create them. Always seeking a space to express their tastes, their thoughts, and their style. The QX50 is that space. Methodically crafted with high-quality materials, contrast textures, and a multi-toned color combination, your personal aesthetic will shine brightly. Make every ride a positively striking experience with the available quilted semi-aniline leather-appointed¹ seats and standard wireless charging pad. And with an interior that's flexible, spacious, and ready to accommodate your life, you can always express what's most important: you.

IN SYNC WITH YOUR LIFE INFINITI InTouch™ with wireless Apple CarPlay® integration lets you bring your iPhone® experience along for the ride. Or make your Android Auto™-compatible phone your preferred driving companion.

Either way, your focus is priority with dual screens that display navigation up top, and features like climate controls down.

ADAPT TO THE MOMENT Move the sliding and reclining second-row seats³ forward to expand capacity and carry longer cargo,¹⁸ such as a stroller, without folding the seat, or slide them back to free up almost six inches of legroom. Passengers will enjoy the freedom to stretch out – and the comfort to open up.

HANDS FULL? NO PROBLEM Your schedule is full, and so are your hands. The swing of a foot opens the available Motion-Activated Liftgate¹ with ease. To enter the cabin, the Intelligent Key can stay in your pocket. Your preferences are instantly recalled, right down to your last temperature and radio presets – even your available personalized driver settings.

YOUR SENSES EXPANDED We're always advancing automotive technology, striving to find new ways to anticipate the obstacles around you. Some are INFINITI world's first technologies like Predictive Forward Collision Warning,⁶ which can alert you to a potential collision two cars ahead. Lane Departure Prevention¹⁴ provides an audible warning and can even help steer to keep your vehicle from unintentionally drifting from your lane. The available Around View® Monitor with Moving Object Detection¹⁷ can help elevate your vision as you park with a virtual composite 360° view from above. Finally, you can expand your awareness with the available Head-up Display¹ for SPORT and AUTOGRAPH grade.

4 ALL-SEASON FLOOR MATS 5 CONSOLE NET

AN ACCESSORY FOR EVERY INDIVIDUAL

Those who live a life in drive experience it more fully. With Genuine INFINITI Accessories, your QX50 can express more of your outlook and carry more of those experiences. We ensure that each item is designed and manufactured to integrate seamlessly with your vehicle and provide a custom fit and finish.

For more info, please contact your local dealer

ACCESSORIES SHOWN: CARGO ORGANIZER, REVERSIBLE CARGO AREA PROTECTOR

▼ **CARGO** Be prepared to pack anything. A Cargo Organizer keeps small items neatly arranged, giving you peace of mind. While Cargo Blocks/Stabilizers and a Reversible Cargo Area Protector work together to help secure bulky items from sliding or tipping.

1 CARGO ORGANIZER, REVERSIBLE CARGO AREA PROTECTOR **2** HIDE-AWAY TRUNK NET
3 CARGO BLOCKS/STABILIZERS

^ ROLL UP CONFIDENTLY

With unique 20-inch dark-painted and machine-finished wheels, the QX50 SPORT exudes plenty of performance character. This carries through to an exclusive interior trimmed in Black aluminum accents, perforated semi-aniline leather-appointed seats and a graphite headliner.

MAKE A STUNNING FINISH THE RIVETING QX50 SPORT

Sleek style makes a quick impression. So we've styled the all-new QX50 SPORT to express progressive design with a fast edge. Turn heads with a bold sport front fascia, distinctive black roof rails, and a black grille surround and inner mesh. Then make your intentions clear with exclusive black "S" badging on the rear liftgate. The sport expression is made complete with distinctive black exhaust tips that will surely make the impression last.

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Middle East. Interested parties should confirm the accuracy of any information in this brochure as it relates to a vehicle directly with INFINITI Retailer before relying on it to make a purchase decision. INFINITI Middle East, reserves the right to make changes, at any time, without prior notice, in prices, colors, materials, equipment, specifications, and models and to discontinue models or equipment. Due to continuous product development and other pre-and post-production factors, actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment/packages. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, see your INFINITI Retailer or visit INFINITI-me.com. **1** Available on select models. **2** VC-Turbo™ launched by INFINITI in model year 2019. **3** Slide-forward function should not be performed with the Child Restraint System occupied. Do not ride in a moving vehicle when the seatback is reclined. For the most effective protection, the seat should be upright. See Owner's Manual for safety information. **4** Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. **5** If equipped, your vehicle may include INFINITI InTouch™ connected features and services such as Navigation, Bluetooth® (Available on certain trim/grades) and other connected features that can be viewed by model on the INFINITI InTouch™ website here: <https://www.INFINITI-me.com/intouch.html>. **6** Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. **7** Around View® Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. **8** Blind Spot Warning and Blind Spot Intervention Systems cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. **9** Forward Emergency Braking with pedestrian detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **10** Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. See Owner's Manual for safety information. **11** Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. **12** Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. **13** Backup Collision Intervention will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. **14** Lane Departure Warning and Lane Departure Prevention only operate when lane markings are detectable. See Owner's Manual for safety information. **15** Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **16** RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. **17** Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. **18** Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. **19** Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. **20** ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.
