**INFINITE POTENTIAL**

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX80, where presence, power, and artfully expansive space create an experience big enough to enrich far beyond yourself. Begin by crafting your QX80 for the journey you share. Every selection is designed to move, inspire and empower the drive.

**PROJECT NEW CONFIDENCE**

In the strength of its lines and fearless presence, the QX80 cannot be mistaken or ignored. It is a grand statement of confidence made more distinctive with new front and rear fascias and powerfully expressive LED headlights with their eye-inspired INFINITI signature. Add in even higher level of detailed elegance with the INFINITI-QX80 LIMITED augmenting the QX80's bold stance with exclusive INFINITI logo welcome lighting inviting you in and a uniquely designed machine-finished 22-inch forged aluminum wheels for an undeniable presence.

**PASS CONFIDENTLY**

Performance in the QX80 puts you in command. You can either opt for 5.6-litre V8 engine that balances 400 hp and 560 nm of torque with modern-day efficiency and up to 2,000 kg in towing capacity or a 428 hp engine with the QX80 LIMITED.
ENHANCE YOUR CAPABILITIES

JOURNEY IN GRAND COMFORT
Intricately stitched quilted leather-appointed seating and new Espresso and Charcoal Burl trims coalesce to give the QX80 an atmosphere of premium luxury you can literally touch in the leather-wrapped steering wheel. To make the INFINITI QX80 to its most exquisite level, the LIMITED adds exclusive luxurious details in the interior with two-tone semi-aniline leather/Alcantara® seats with shell type quilting, contrasting piping and stitching, matte silver, open pore ash wood trim, and “LIMITED” embossed onto the first- and second-row seatbacks.

ENTERTAIN MORE OPTIONS
You are going places, but surely not alone. Extend to your guests their entertainment of choice with the dual 8-inch colour monitors for second-row passengers to view their own movies or games while those in front enjoy their own music.

EXPAND YOUR AWARENESS
The ProACTIVE Package augments your view by helping watch for and avoid danger on all sides. Drive with innovations such as Blind Spot Intervention® that can actively help avoid vehicles in your blind spot area, and Predictive Forward Collision Warning™ that watches two cars ahead to help warn you of danger and sometimes before you even see it.

REFLECT ON YOUR VISION
Always forward-thinking, the all-new Smart Rearview Mirror in the ProACTIVE Package means your view need never be compromised by passengers, large cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera. So a full vehicle can still mean a full view behind you.

INVITE EVERYONE
The QX80 is an experience to be shared. Every seat abounds in legroom. Second-row captain’s chairs mean there is no coach class, while the QX80 LUXE 8 seats can increase capacity to a grand scale of 8 passengers.

How will your QX80 come to life? Engineered for luxury without limits, it offers bold ideas for the driven. Indulge everyone in expansive comfort and entertainment, while empowering yourself with innovation that looks as far forward as you do.

ADD DISTINCTION
INFINITI has taken care to ensure that the colour swatches presented here are the closest possible representations of actual interior colours.
